IRISH LOOKING for BASEBALL and SOFTBALL INTEREST

CYO team registration for boys' hardball and girls' fastpitch softball is fast approaching. The St. Mary Athletic Department will need to make some decisions about the teams it will field in the spring. 5-8th graders should contact Bob Anderson at (248) 398-7174 or at StMaryAD@aol.com as soon as possible with questions and interest level.

Irish tame Bengals

The Fighting Irish CYO basketball teams got healthy in a quick way as they were able to tame the Bengals of Warren Immaculate Conception this past weekend.

The results of the three victorious teams were as follows with high scorers: JVG, 14 - 13 (Erin Hoffman, 8); JVB, 33 - 20 (Martz Ledford, 20); VarG, 20 - 10 (Meagan Mazurek, 6).

The VarB were not as fortunate though as they fell 49-21. Tim Brown led the boys with 9 points.

The Fighting Irish return home this weekend to host Holy Family Regional and St. Dennis at our new home, St. Mary Magdalen.

Coach ROSSBACH STEPS DOWN

St. Mary athletics is sorry to see Coach Jennifer Rossbach resign from her headcoaching duties for the varsity girls basketball team. Work commitments and two youngsters at home has made it quite difficult to keep up the coaching pace. Jennifer had taken a maternity leave last season as she and husband Eric prepared for the birth of their second son.

Jennifer joined the Fighting Irish family 5 years ago as head coach of the Jr. varsity girls team. The varsity level was not in existence at the time. She has since joined the Athletic Board where she plans to stay for the time being.

Coach Rossbach went out a winner as her girls beat IC, 20 to 10 for their first victory of the young season.

Best wishes and thanks so much for everything, coach!
