## COOKIE DOUGH AUTUMN SALE a SWEET SUCCESS

Under the guidance of our *Cookie Queen, Pam Callan*, the Fighting Irish Athletic Department was able to sell over 500 tubs of cookie dough during this past campaign. Considering the busy lives we all lead and the strained economy we find ourselves in, this is a remarkable number of tubs to be sold. This achievement will assist St. Mary Athletics in running the sports programs this year.

Thank you to all who participated either by selling or by purchasing cookie dough and especially to Pam and her crew of Yvonne Claucherty, Marlene Smith, Julie Pollack and Katie Linehan, who helped sort out the order once delivered to the school.

## HOOPER NEWS

Junior Hoopers will start practicing Tuesday, Dec. 2nd at 3:30 in the Fellowship Center. We could use a few more players, 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> grade boys and girls for the Jr. Hoopers to help maximize the experience for all. Coach Rick Berry will send out an email Monday or Tuesday to remind all.

As of now we have 5 Hooper boys signed up to play in the 4<sup>th</sup> grade Instructional League. We can field this team with boys and girls as we have in the past but would really like to do it with 9 or 10 players. The Instructional League, coordinated by St. Margaret's athletic program in St. Clair Shores offers an opportunity for boys and girls to get a better feel for the game of basketball before moving up to the CYO level in 5<sup>th</sup> grade. An emphasis on winning is softened and the games against other schools in the metro area are used primarily as a learning experience. St. Mary plays it's 4 home games in the FC.
